

# Career Development Program

*Building Opportunity with Pride, Tradition & Strength*

## PURPOSE

---

Ho-Chunk, Inc. will sponsor interested Winnebago tribal member college students, trade/vocational school students, graduate students, doctoral students, and law students, to attend educational events outside of Winnebago to boost their academic learning and career development. This can include things such as conferences, workshops, trainings, etc. The Career Development Program (CDP) may fund travel, registration expenses, and other related expenses.

## FUNDING GUIDELINES

---

CDP award recipients may be eligible to receive up to \$2,000 total for registration fees, travel costs, and other related expenses. Past recipients may reapply. However, the lifetime maximum amount a student can receive is \$4,000. Funding is only available for the student recipient.

Registration checks will be issued directly to the host organization of the event and arrangements will be made with the student regarding travel. Ho-Chunk, Inc. reserves the right to determine the most economical method of travel based on the event location, with respect to safety and security.

If a student airline flight is required, the flight will be arranged by Ho-Chunk, Inc. The student will be responsible for transporting themselves to and from the airport. Mileage to and from the airport will not be considered for reimbursement. If it is deemed that transportation by automobile to and from the event is the most economic mode of travel, the student will be reimbursed at the Ho-Chunk, Inc. established mileage rate.
